Invaders and Settlers

KS2

Curriculum link	The National Curriculum for history requires KS2 pupils to learn about the Anglo-Saxons' settlement here and/or their struggle with the Vikings for control of the kingdom of England
Why Purpose of the workshop	- To identify and analyse how the Anglo-Saxons settled successfully and established the foundations of England - To find out that Anglo-Saxon Banbury was dangerously close to Viking territory during their struggle for control
What Main concepts and knowledge the workshop covers	- To discover how the Anglo-Saxons used their skills and knowledge to build thriving communities - To understand their everyday life and try out Saxon and Viking clothing - To handle excellent replica objects and play 'guess the raw material' - To try grinding barley using Saxon technology - To spot the differences between Saxons and Vikings - In the Museum, to see Saxon coins and jewellery
How Summary of the structure and teaching style	- Sessions are structured with a scene-setting starter, then hands-on activities, and end with reflection and recap - For some activities, the class is divided into groups - Our teaching style is fun, accessible and adaptable - We ask that teachers help with some activities, such as dress-up - The session is authentic and exciting and includes some heavy, fragile and sharp objects, plus some foodstuffs (not for eating). All have been risk assessed and are suitable for most KS2 children - We have costumes in both larger and smaller sizes - We understand that not every child will be comfortable with every activity
