

Special Exhibition Workshops

Length of session – usually 60 – 120mins

Maximum number of students – 30

Usually £3.50 per child

Lunch room by arrangement

Look out for our time-limited taught workshops for Primary Schools in our exhibition gallery.

We regularly change the special exhibitions in the PYE Gallery – Banbury's state of the art exhibition space. Our shows vary hugely, from fine art, sculpture, photography, history, popular culture and science. Many are highly interactive and aimed at a family audience.

Where there is a clear curriculum link, we offer a specially designed workshop for schools. These offer the best value for schools and details will be on our website.

All exhibitions are also available for self-led groups, but **MUST** be booked in advance. We will advise on costs when you book.
