

## Victorians - Key Stage 2

Length of session – 10am – 12pm

£4 per child

Maximum number of students – 30

Lunchroom

### Key themes

Why was the Victorian period such a significant turning point in British history?

Focusing on the local area, this workshop looks at the inventions, discoveries and social progress of the 19<sup>th</sup> century.

Using real and replica objects, hands-on activities and dress-up material, pupils will:

- Discover how children's lives changed in Victorian times
- Find out how everyday life, work and transport were transformed
- Learn about the coming of factories to Banbury
- Gain an understanding of rich and poor in the 19<sup>th</sup> century

### Learning Outcomes

- Understanding the importance of Victorian Britain in shaping modern life
- Understanding social and technological changes over time
- Developing skills in questioning, imagining, thinking critically and evaluating
- Improving knowledge of chronology
- Learning new vocabulary and skills

## Adaptations

- Outreach: Ideally this workshop is taught at the Museum, where we have a large number of objects. However, an adapted version can be taught as an outreach workshop at your school – 75 mins teaching time for up to 30 children, cost £90 or £150 for two classes one after the other on the same day
- SEND: Please get in touch so we can arrange a bespoke session for you.
